

Poster Format, Display and Judging

1. Language

English only

2. Size

We recommend you prepare an A0 size poster (841 mm wide × 1189 mm tall).

3. Format

The format of the poster is basically free. However, please include your presentation title, name(s) of presenter(s) and affiliation(s). You can include a photograph of yourself if you would like. (Font size should be large enough to be read from 2 m)

4. Display

Posters should be hung in the designated area of the first floor of Laboratory of Advanced Research A (総合研究棟 A), University of Tsukuba between **9:00 and 16:30 on Sunday September 18th**. Please hang your poster as soon as possible so participants of the symposium will have more opportunities to view your poster. Each poster will be assigned a number and a list of the numbers for the posters will be displayed in the reception desk of the symposium. Please confirm the number of your poster on the list and hang your poster under the designated number. Supplies needed to hang your poster will be available in the poster room.

You are expected to be present during the entire poster session on Monday **September 19th from 9:00 to 12:00** to explain and answer questions about your poster.

5. Removal

Please remove your poster on **Monday September 19th** before 17:00. If a poster is not removed by that time it will be taken down and kept at the Agricultural and Forestry Research Center, where you can claim it at your convenience. Unclaimed posters will be discarded in **December 2016**.

6. Best Poster Award

Each poster presentation will be evaluated by international guests and faculty members of the University of Tsukuba during the poster session on Monday **September 19th between 9:00 and 12:00**. Best poster award(s) will be presented based on the evaluation. Awards for best posters will be presented on the same day during the afternoon session of the symposium (16:00 to 16:30) in the Lecture Room A110 of Laboratory of Advanced Research A.
